BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

Fritz Knope was put under a \$50 peace bond by Squire Rogers last night on complaint of A. L. Smith.

The work of repairing the bowling alleys at Pleasant Valley Park was finished last evening, and they will be used for the first time to-morrow at the milk men's picnic.

Benjamin Imhoff, of the Island, employed in the construction of the new P. E. hospital buildings at Glendale, fell from a ladder yesterday morning and received severe but not serious injuries.

The police last night were asked to look out for a boy who escaped yesterday from the reform school at Morgantown, Washington county, Pennsylvania. The boy's name is Charles Walker Troy, aged sixteen years, height 5 feet, 6 inches, weight 150 pounds; has brown hair, gray eyes, and pug nose. He wore blue overalls, striped shirt, corduroy coat lined with leather. He is supposed to have come to Wheeling, where his stepfather, William Shinn, a steamboat steward, resided formerly. Up to a late hour none of Chief Clemens' men located the youth.

Wheeling Teachers' Institute.
The Wheeling Teachers' Institute will begin its sessions at the high school building on the 28th of this month, and the meeting promises to be the most interesting ever held. Among those who will make addresses are D. H. Gilbert, of New Jersey, and Prof. Turner, of this city. State Superintendent of Schools Trotter will furnish capable instructors.

UNCLE SAM'S HAND

Comes Down Heavily on Benwood's Chief of Police and

HIS TWO POLICE OFFICERS.

They Were Arrested Yesterday by Deputy United States Marshals. Charged With Having Interfered With the Federal Authority During the Late Street Car Strike—The Hearing has been set for August 21.

Yesterday morning Deputy United States Marshals D. R. Jackson and George Stout came to Wheeling and later in the morning they went to Benwood and made arrests on charges growing out of the late street car strike.

The men arrested make up the police department of Benwood, and are Marshal George W. Furbee and Officers George Fisher and Thomas Gately. The charge preferred against them is that they interfered with the Federal officers in the discharge of their duty during the strike. Furbee is alleged to have released young Holderman, who had been placed under arrest by one of the deputy marshals. The warrant for his arrest was issued by United States Commissioner George E. Boyd, Jr., some weeks ago but was not served at the time. Officers Gately and Fisher are charged with having placed Deputy Marshal Kester under arrest just after the latter had shot at and wounded a prisoner who was attempting to escape. The warrants for arrest of Gately and Fisher were issued a day or two since by United States Commissioner Casto, of Parkersburg.

The arrests were made at the Benwood city hall about 10 o'clock, and there was no resistance on the part of the trio wanted. They were brought up to the city and arraigned before Commissioner Boyd. Colonel George B. Caldwell was secured to represent Furbee, Gately and Fisher. Colonel Caldwell desired an immediate hearing, but the government asked for time in which to secure witnesses who were not available yesterday. The commissioner acceded to the request of the government, and set the hearing for Monday, August 21. The three prisoners were released on \$300 bond, Marshal Furbee being the surety. The friends of Messrs. Furbee, Gately and Fisher hope that they will not get into serious trouble as a result of their actions during the strike. In extenuation it is alleged that they were influenced by the practically unanimous radical sentiment that permeated Benwood at the time, and which it was but natural that they would share.

Marriage licenses were issued to:

J. W. Lane, aged twenty-eight, of Pittsburgh, and Alice Puraglove, aged twenty-one, of West Brownsville, Pa.

Peter Burns, aged twenty-one, and Sallie Wilson, aged twenty-one, of Cleveland, Ohio.

Music for All.

The Planola is like a player born into the world with all the necessary muscles and sinews perfectly developed, and always in practice. It is an absolutely perfect automatic instrument, with carefully arranged music, and its technique is faultless. Each note is sounded clearly and distinctly, just as the composer intended. There is no slurring. There are no mistakes. The most difficult compositions are as easily executed as the most simple. Four-handed arrangements can be performed as readily as those written for a single player. Thus the Planola enables the entirely unskilled performer to execute music with technical accuracy which it has taken the artist years to master. Indeed, as far as the execution is concerned, the Planola is capable of performing music that would be entirely impossible to the greatest masters. In a word, the Planola enables any one, with or without musical knowledge, to play the piano with technical accuracy.

The public is cordially invited to attend the Planola recital next Friday afternoon at the music parlors of F. W. Baumer Co., 1210 Market street.

A Word and a Blow,

and the blow comes first. We've indiscriminately cut the price of about one hundred of our finest Men's Spring and Summer Suits. The cheapest of them are worth \$12.50, and many come out of our \$15 grades, but no matter which, help yourselves from the cream of the suit stock at

\$8.88. \$8.88. \$8.88. \$8.88.

It's a burning shame to bend them to any such price, for it doesn't much more than pay for the needle and thread work on them, but there's no sentiment in business. Duty is duty—and we live up to our policy not to permit one season to lap over into the next—no matter what it costs or what the consequences may be. If you want one of the best suits you ever wore for the price, then don't miss this sale.

We continue this week our special Trousers Sale. Hundreds sold last week, hundreds must be sold this week.
